

OPEN HOUSE #2

Higgins Mountain Wind Farm LP is hosting a second Open House to provide updates and information on the Higgins Mountain Wind Farm Project proposed on Higgins Mountain. Higgins Mountain Wind Farm LP is a partnership between 3G Energy, Stevens Wind, and Elemental Energy, and collectively has extensive experience developing, constructing, owning, and operating wind energy projects in Nova Scotia.

The Open House will allow stakeholders the opportunity to learn more about recent project developments, timelines, environmental results, and socioeconomic benefits, as well as meet the development team, ask questions, and provide feedback.
